Dear Alan:

As a Board Member and Co-Chair of The Carnegie Hill Neighbors Organization's Security Program, I have had the good fortune to collaborate with Alan Schissel, and his company Integrated Security Services for the past seven years.

Carnegie Hill Neighbors' Security Program supported by Mr. Schissel's company since September 2007, has been instrumental in contributing to the sense of security we all enjoy. Not only do residents feel safer when they know the safety patrol is traversing the neighborhood, the very presence of the guards discourages potential criminal actions.

The CHN Security Program was established in 1993 to provide an extra set of eyes and ears for the community and assist the police in ensuring the security of the neighborhood. Now with CHN's partnership with Integrated Security Services, highly visible security officers work closely with members of the NYCPD's 19th Precinct to address quality of life and other criminal conditions. After seven years, Mr. Schissel and his executive staff remain very hands on and offer up many innovative patrol solutions making this community patrol one of the most successful and progressive in New York City.

I extend my best wishes to you in your new endeavor and thank you on behalf of Carnegie Hill Neighbors.
